

Tiffin Loader Crane Emergency Crane Kit

To help ensure you have the necessary items when a leak or hose failure occurs on the jobsite, we offer a kit with a variety of “pre-made” hoses and fittings including absorbent pads. These items will help in allowing you to get your equipment back in operation to finish the job or to get it stowed for transport to the proper repair facility.

Kit includes -

3/8” x 20’ hose with fittings

1/2” x 20’ hose with fittings

3/4” x 10’ high pressure hose with fittings

1” x 10’ hose with fittings

25 large zip ties

2 lynch pins

5 oil only absorbent pads - 33” x 39”

1 container

List price - \$650.00

Sale price - \$585.00
